Qualifications:

I am a licensed appraiser and have 7 years experience in the Assessor's Office. I also have 20 years experience as a licensed Real Estate agent. Real estate and appraisal training are very similar. I am a Utah Licensed General Contractor and have been in the building trades for over 30 years. I have also been a volunteer EMT on the Garfield County Ambulance for 32 years, serving all areas of the county. An assessor values the land and buildings in their county. I know land values, and I know building construction and values, and I love serving the people in Garfield County.
